# TEQUILA

BLANCO YOUNG	REPOSADO RESTED	AÑEJO AGED
Tequila fresh from distillation. The basic liquid that is the base for all other tequilas and is the most direct expression of agave.	Aged in oak barrels at least sixty days. The wood adds a light straw color to the tequila and a mellow, more developed flavor.	Aged in government sealed oak barrels no larger than 600 liters for a minimum of one year. These masterpieces should not be mixed.
